FOOD

Our food menu at 1820
has been developed using
a blend of innovation,
culture and provenance.

We want to guide you on a journey through the
flavours of Scotland, specifically the regions
encompassing the four corners distilleries that
make up Johnnie Walker; Glenkinchie,
Caol Ila, Cardhu and Clynelish.

Using the highest quality seasonal produce
with a commitment to sustainability and
environmental awareness, each dish is
designed to lead with a plant-based focus
with the optional pairing of locally
sourced meat, game and seafood.
